Dear Mary Patterson,

Thank you for inviting I-Secure Pro to participate in your security service process. Our team appreciates the time you took to explain your vision for your security needs, and we are excited at our prospective partnership in the future.

We are in a new era in which public safety and public relations co-exist to serve the community, and where robust, progressive security guard services and security strategies for the 21st century reduce risks and protect the bottom line. Our security officers are the foundation to a successful program. Paramount to their success is that we strive to ensure our employees become part of the fabric of a security community. Beyond our focus on the specialized training and services conducted by our team, we place an emphasis on providing our security officers with professional growth and career opportunities. This is a clear differentiator that sets us apart from typical contract security services providers.

We look forward to establishing a strong partnership with you. Through our professional personnel, cutting-edge technology and advanced security systems and solutions... I-Secure Pro is Your Security Solution. If you have questions during the proposal review process, please contact me at (818)-522-5780 or email ray@isecurepro.com

Best Regards,
